> "Hermione guess what?" Harry gushed.
 "What?"
> "Me and Cho are getting married as soon as we're out of school!"
 Hermione burst into tears and ran out of the common room. Harry just shruged and left. Hermione got into her dorm room and shut the door. She ignored the letter her best pal Elizabeth had sent her. Hermione got out her wand, and said, "Hairguness" and her hairbrush turned into a lavender pistol.
> Hermione put the gun to her head and thought, "If Harry loves that bitch Cho more than me, so be it. I have no reason for living. She pulled the trigger and Hermione was no more.
>Disclamer: I own Elizabeth, no one else. <p><p>

 "I want a divorce, all your time is spent at that bitch's grave," Cho screamed.

 Harry said, "Fine I loved Hermione, but I thought she only liked me as a good friend. You were my second best. Hope you like being alone.
>
 With these words he picked his trunk up and left. He cried bitterly of his loved ones death. He grabbed his wand, and started to charge it with a deadly curse. As he stood beside Hermione's grave his last thoughts were, "Hermione I'm coming to you, honey."
